-Dues are Due: Because of our affiliation with the State Organization, we must collect dues for 2018 so that we can submit their portion to them. Club dues are \$25 for a single membership, \$29 for a family. Please check the last "State Roster" for any updates to your vehicles, address, phone number and e-mail address. Make your check payable to: Capital Carriages. Give renewal to Treasurer or mail to: Capital Carriages, PO Box 1373, Helena Mt. 59624

-Nominations: At our October meeting, it is again time to nominate someone for the positions of President and Vice President, and volunteers are needed for the positions of Secretary, Treasurer and News letter Editor. Final nominations and a vote will take place at the November meeting, Installation of officers in January.

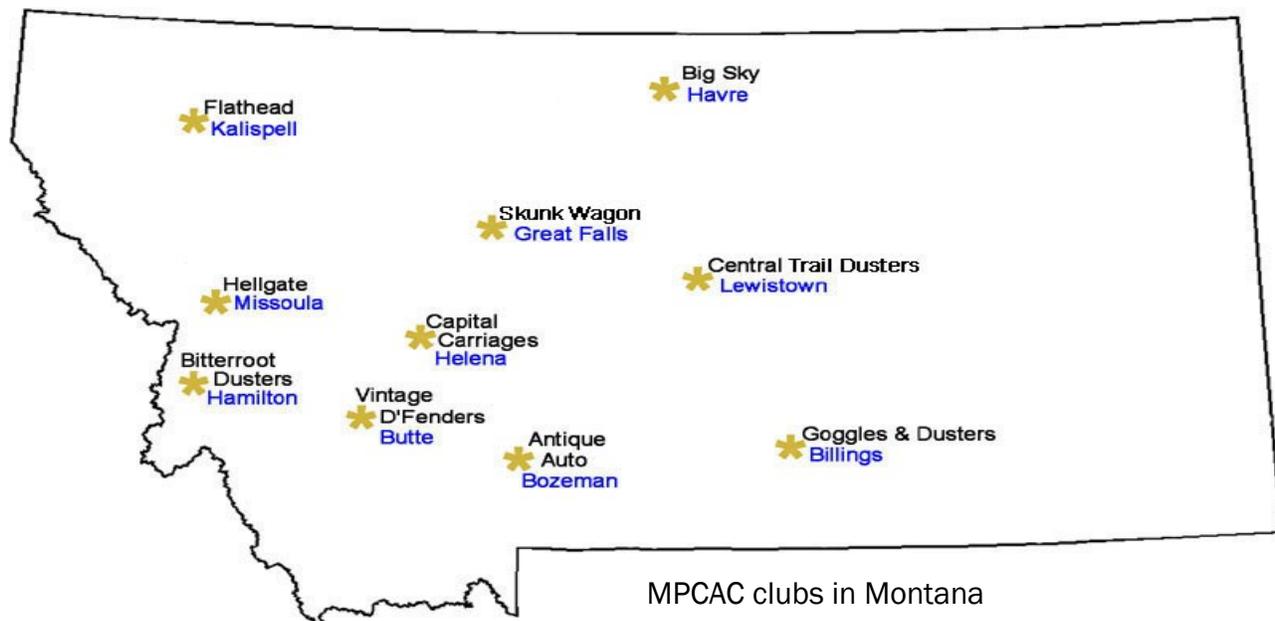

"Cool Treats and Hot Rides Night" is held at Dairy Queen, 1700 Prospect Ave here in Helena every Wed night through October. This is sponsored by the Street Rodders, and takes place between 7 and 10 pm and is a great place for enthusiasts to meet up, have some ice cream and chat about vehicles.

Coffee/Breakfast

Every Friday morning there is a get-together at Super 1 Foods grocery at 9 am for coffee/ donuts/ biscuits and gravy or whatever! Lots of room to meet and visit, and you can shop for groceries afterwards!

MPCAC clubs in Montana

With the approval of our president, I purchased a Model A pedal car, to possibly be raffled off by the club. At the October meeting there will have to be a vote to see if the club would like to reimburse me and have a raffle in 2018. The last couple of pedal cars we have auctioned off did pretty well in helping with our finances. I will bring it to the meeting for everyone to look at.

1908 Ford advertisement

The Model T was designed by Childe Harold Wills, and Hungarian immigrants Joseph A. Galamb and Eugene Farkas. Henry Love, C. J. Smith, Gus Degner and Peter E. Martin were also part of the team. Production of the Model T began in the third quarter of 1908.

The Model T had a front-mounted 177-cubic-inch (2.9 L) inline four-cylinder engine, producing 20 hp for a top speed of 40–45 mph. According to Ford Motor Company, the Model T had fuel economy on the order of 13–21 mpg. The engine was capable of running on gasoline, kerosene, or ethanol. (Thanks, Wikipedia)
