Minutes for the August 12, 2018 meeting of the Capital Carriages Car Club

The August meeting was held at Christofferson's house. There were 20 members in attendance. This is our yearly BBQ that is held each summer.

The club bought the steaks, with Glyn and Paul cooking on two BBQ's. Members brought other items to share. After the lunch, the meeting was held.

The meeting was brought to order by President Paul Christofferson at 3:45 pm. Both the Treasurers report given by Treasurer Sharon Burrows and minutes of the last meetings by Secretary Darrell Beckstrom were approved. Sharon also stated that so far we had 35 people signed up for the fall tour.

Sharon also asked the club about the BBQ at the Fort in July, in which we were to split the profits with the Big Brothers/Sisters organization. However, with the low number of people attending and expenses, the profit was \$2.24, meaning \$1.12 to the organization. The majority approved not to distribute the funds as it was such a small amount.

There was no new business, and old business was the fall tour. Darrell went through the material that he had printed, and then went through the agenda with everyone, and made some minor changes.

As there was no other business, there was a discussion on whether we should have a September meeting, as we have the tour that month. It was decided that we skip the September meeting date, and have a meeting October 14th at the 4B's in the old Jorgenson's restaurant.

The meeting was adjourned, and several members went to Paul's garage where tables were set up with items to be included in the gift bags. 71 bags were filled with various items, with more to be added at a later date.
