Our monthly club meeting has changed location for the month of September. We will be meeting at Muni's which is at the Bill Roberts golf course on Benton Ave. on September 8th! They have a separate meeting room, and have great food. See you there at 2:00!

Also, if you have not done so, it might not be too late to sign up to go to Anaconda for the Fall Meet on September 6,7,8. Always a good time.

Minutes of the last meeting

This is a brief description of the minutes of the last meeting. You may attend the next meeting to hear the entire minutes.

The August meeting was held in conjunction with our annual August picnic, which was held at the Fort Harrison Service Club on Sunday August 18th. There were 17 members and one guest attending. Everyone brought their favorite dish, and the club furnished the steaks, and thanks to our president who cooked, everyone got their fill of food.

After lunch, the meeting commenced.

A reminder was made about the upcoming tour in Anaconda, and a show of hand indicated around 8 people were attending.

Darrell read the minutes of the last meeting which was in June. It was a short meeting as only 4 people showed up.

Darrell brought up the subject of the Thursday night cruises, and that we needed a couple for November and one in December. A mention was made that we had not been to Chubby's yet this year, so that will be added in November.

Wes did a report on the vigilante parade, and only he and Jeanne were in the parade. Most people belonged to the Street Rodders.

Sharon stated that our dues are due September 1st, and that there is a price increase because the state organization has raised their rates. \$33.50 for singles, \$39.00 for husband/wife and/or guest.

Everyone be thinking about nominations for office in the club. At the October meeting we will open for nominations for the next year, and at the November meeting a vote will be taken. The officers would like a break (that includes the newsletter editor), so step up and help out the club.

The next meeting was discussed, and Wes suggested that we find a church where we could potluck. Majority of members stated they would rather have someone serve them at our regular luncheons. A suggestion was made that we meet at Bill Roberts Golf Course Muni restaurant/lounge as they have a meeting room. Paul will check into it.

A mention was made that Peg has her 1941 Ford and 1929 Ford Model A for sale. If you are interested, get in contact with her.

With no further business, meeting adjourned at 3:20pm.

The Jaguar XKSS was a road-friendly version of the Jaguar D-Type race car. It was originally built in 1957 and looks somewhat like a precursor to the Jaguar E-Type. Only 16 of these cars were made over 50 years ago, out of a scheduled 25, and the final nine were built and launched in 2016, built to the exact specifications of the originals.

This car was popularized by iconic actor Steve McQueen, who bought one for \$5,000 in 1958 and was seen driving it around all over Los Angeles. According to Jalopnik, his XKSS is worth an estimated \$30 million, mainly because of who owned it.

Dues Increase

The Montana Pioneer and Classic Auto Club state organization (of which Capital Carriages is a part) has raised their annual dues starting September 1st. Single adult dues will now be \$33.50 per year, husband & wife and/or guest will be \$39.00.

The cost includes our Capital Carriages dues which have not been raised.

Make checks payable to Capital Carriages. Bring to club function, or mail to Sharon Burrows, Treasurer, 19 South Benton, Helena MT 59601.

Note: We no longer have a Post Office mail box.

Any questions, call Sharon at 442-4845.

Virginia – A city traffic rule in Waynesboro states that it is unlawful for a woman to drive in a vehicle on Main Street unless her husband is present and walking in front of the car waving a red-colored flag.
