In the last general meeting we decided to move the Car Runs back to Fridays. The larger crowds on Saturdays along with other events/holiday weekends starting on that day of the week prompted the change. We also decided to set the time and place for the summer picnic at the next general meeting in June. You may want to attend the meetings so you can provide input! Remember, the Big Bull only takes cash. As I found out the hard way, they do have an expensive ATM.

With the Kenny Simpson Nissan car show occurring on the one of the MPCAC Spring Tour days in Kalispell, I won't be there. Darn! The show is always fun to attend. Because of the show's smaller size almost anyone will enjoy participating or just walking through looking at all of the cars. It looks like registration begins at 9:00 the day of the show but I would confirm this with the dealership if you plan to enter a car.

There are a large number of car shows scheduled for this June. Just for fun I am including a copy of a list I downloaded. This list does not include all of the shows. Shows in Joplin, Roberts, Sidney, ..., are not included.

I included the Deer Lodge Rod Run and Show and shine in the newsletter, which includes the 33rd Territorial Days Car Show, because of the close proximity to Helena. We can discuss possibly attending this event as a group in the next general meeting. Registration would be from 9:00 to 11:30 AM at the old Montana Prison, 1104 Main. Their parade is at 12:00. Their website contains more detailed information about the event. I will print out information about this event and the Blast From the Past to share at our meeting.

The pictures for this newsletter are of the club's newest member, Tyler Torgrimson's, 1983 Cadillac Eldorado Biarritz.

Very nice ride! Thanks for the great pictures, Tyler. I hope we all have a great June!
