The Cerovski's and I attended the Boulder car show. I certainly enjoyed myself. In past years I drove past this show on my way through Boulder but never attended it. Not a real large show but lots of quality cars, primarily from Boulder, Helena, and Butte.

I will not be able to attend the MPCA event and general meeting in Missoula on September 9th. If you are attending this event, and the related meeting, please let me know so we can discuss possible topics. It would be great to have someone from Capital Carriages in Missoula to be the proxy vote for our club.

September is dues month. Last year the MPCA club, which we are part of, raised these to \$30 per single, or couple. However, the bylaws establish the dues at a lower level and the rates contained therein were not changed. I believe this may be one of many possible discussion topics for the statewide meeting. To my knowledge there has been no communication from the central club to Sharon Burrows relating to the dues so we are up in the air on this topic. We also need to decide if we need to include an amount for the local club in the dues.

I plan on attending the YMCA show on the 9th. It would be great to attend this as a group. There is a registration fee and prizes will be given for first through third place. Lincoln along with other shows

throughout the state would have also been enjoyable. Too much on the same day! Both the Townsend Fall Fest and Helena Oktoberfest look like good shows to attend later in the month.

Now, a picture of a 1970 Chrysler 300 from the Boulder show. What a pretty automobile!

Normally I would include more pictures but I couldn't fit another in without making it too small!

Hope to see you at one, or more, of this month's events!
